

# MASTERClassic

Energy-saving halogen MASTERlamp with EcoBoost technology for 50% savings on energy costs compared with incandescent lamps, while maintaining or even improving the quality of light

## Product Features

- Unique Philips patented EcoBoost single-ended burner: 50% higher efficiency than standard products
- Shape and base like classic incandescent lamps, compact size and hidden electronics
- 50% lower energy consumption than an incandescent lamp
- Average lifetime three times longer than an incandescent lamp
- Low-voltage halogen light quality: sparkling, crisp light
- Dimmable
- No mercury content
- Unique, attractive design
- Complete range with Philips EcoBoost technology coated low-voltage halogen capsule

## Product Benefits

- Retrofit replacement for standard incandescent lamps
- Big energy savings
- Lower replacement costs due to longer burning hours
- Creates a warm, attractive light
- Supports a green environment
- Familiar, incandescent-look design
- Lower cost of ownership compared with incandescent lamps

## Environment

- Excellent environmental choice because of high energy efficiency and long reliable life
- This product is a Philips Green Flagship
- This product is RoHS compliant

## Application

- Replacement for incandescent lamps in most professional and semi-professional applications
- Indoor lighting (e.g. hotels, restaurants, offices)
- Enclosed fixtures required for outdoor applications
- Suitable for emergency lighting with DC supply
